

# Vision and Mission Statements

## Vision Statement

To encourage art and community through efforts in the Los Angeles region.

To be the legal entity that enables the Los Angeles Burning Man community to hold the decompression event and fund public art and educational endeavors.

## Mission Statement

To foster community by helping to facilitate the creative process through public art, education and events.

To produce the annual Burning Man Decompression event in the Los Angeles county region

To guide, nurture and protect the Los Angeles Burning Man regional community, and to benefit the larger community beyond the Burning Man Decompression event.

To embrace the 11 principles of Burning Man in all of our events and activities.

To generate, distribute and maintain funding for public art and educational endeavors.

To behave as a non-profit organization and work towards becoming a 501c3 corporation.
